Message from the Head

Dear Parents,

It really is beginning to look a lot like Christmas! The children and all the staff have been busy decorating the school to make it look fantastically festive! Rehearsals are in full flow and it is lovely to see Mary and Joseph, elves and even Christmas presents wandering down the corridor at various times!

As educators, it is really important we know exactly what our children are capable of, what they already know and where they have gaps in their learning. Next week, the children will have a series of moderation tasks to do to show us what they can do independently so we can see what the gaps are and fill them in. This is certainly nothing to worry about and the children will be encouraged to do their best and show us what they can do.

Kind regards

Mrs Jearrad

The Neighbourhood

After hearing concerns from parents about dogs fouling on the pavements in the surrounding area we have been in contact with the local council to make sure that they are aware and to pass on these concerns. We hope that they will put plans in place to improve this situation.
