### Message from the Head

Dear Parents,

Sometimes it is impossible to have just one highlight of the week! Our key stage 1 dress rehearsal of the Nativity play was incredible to watch and I am sure it will bring a tear to your eye if you're are coming to see your child perform in it!

I have also had so many positive comments from the staff and children following our whole school Christmas lunch on Tuesday. The atmosphere was very special with lots of singing, party hats and crackers. On top of that the children loved being served by all the staff!

Only 4 more early mornings to go!

Kind regards

Mrs Jearrad

### KS1 Nativity

For the enjoyment of everyone during the Nativity performances on Monday, please note that no photographs or videoing will be allowed.

We do understand that parents like to have a memento of their children performing to look back on in years to come and show family or friends over the festive period. We also appreciate that you would rather sit back, relax and take in the performance. Therefore, we filmed the dress rehearsal and are able to put a copy onto a memory stick for you. If you would like a copy, please leave a named memory stick with Mr White in the office no later than Monday 18<sup>th</sup> December and it will be returned to you by the end of term. Copies are for personal viewing only and should not be posted to any social media websites such as Facebook.

I would also like to thank Mr Dyson for giving up his time and volunteering to come and take photographs of all the children in their costumes. These will be on display in school after Christmas and copies sold by the PTA in January.

The Daily Echo also came into school and took a picture of the children. It should be in the paper on 21<sup>st</sup> December.
