

Message from the Head

Dear Parents,

It may have been a very wet and windy week but it has also been an exciting week in Chestnut class because we took delivery of some new outdoor furniture! This will enable the children to become more independent in their choices with what to play with as they can more easily access everything they need for outdoor learning, water and sand play. My favourite piece is a fantastic tractor tyre table with little wooden stools to sit on around it.

As I have been going into class this week, many children have been very proud to tell me or show me how they are overcoming obstacles in their learning. As always, we thank you for all you do at home to help support your child and many of you have told me you are now encouraging your child to think differently when they find something tricky – it really is working!

Kind regards

Mrs Jearrad

Whole School 97.14%

WELL DONE!

Reporting to Parents

In the past Nursling Primary School has held parents evening during the Spring Term, before school reports go out to parents. This year we have decided to move parents evening to the second week of the Summer Term, that way you will get to read your child's report and then have a meeting with the class teacher to discuss it. Therefore, reports to parents will be on Friday 23rd March and parents evening will be on Tuesday 24th and Wednesday 25th April. We will inform you of timings and booking procedures nearer the time.

A message from the Vicar, Rev Julian Williams

19th January: Perseverance

2 Thessalonians 3:5 (NEW TESTAMENT: PAUL'S LETTERS)

May the Lord direct your hearts into God's love and Christ's perseverance.

Wed 24 th Jan	Willow class- Tudor house museum
Thurs 25 th Jan	Year 6 SATs meeting 5:30pm
Thurs 8 th Feb	Shakespeare Theatre company workshops – all years

Holly class History day report

Matthew

On Wednesday, Paul came in to tell the class about history (Egypt). We made models and wrote facts. The class made a town.

Caitlin

On Wednesday Class 3 saw Paul. He taught us about Ancient Egypt. We made houses and played a game. It was so exciting. Sadly, we said goodbye and he left.

Sammy

First, we wrote some questions that we wanted to know about Ancient Egypt. Next, we did some writing in hieroglyphics. After that, we made some houses and some different things out of paper. Finally, we played a different game. It was so fun so we had a go.

Year 4 Swimming

Swimming will continue this coming Tuesday, Please make sure that their costumes & trunks are in school and that they have their swimming hats. Reminder that the Year 4s should be picked up first then siblings collected. All teachers are aware that this is taking place and will hold onto anyone in their class that is awaiting collection.
