Message from the Head

Dear Parents,

There are times as parents, teachers and educators where our children really do surprise us and make us proud. Throughout this week our children have had so many different opportunities; school trips out, visitors in and work to challenge the way we all think. I have to tell you that I have been blown away by the sense of family in our school. The talk in the staffroom of moments of pride have actually brought tears to our eyes.

What a great week we've had!

Kind regards

Mrs Jearrad

Jaya & Olivia

Dogs in school grounds

For the safety and wellbeing of all our families, a polite reminder that dogs are not allowed on the school site, even when picking up from after school clubs. We appreciate your support with this matter.

Year R Phonics & Year 6 SATs

Thank you to everyone who turned out for these information meetings, it was good to have such a great turnout and we hope you found them useful.

Safeguarding our children

It has been brought to our attention that children have been downloading an app which is disguised to be aimed at young children, yet is dangerous and highly unsuitable. Please ensure you are aware of what your children are downloading onto their phones and tablets and that you have parental controls set.

Thurs 8 th Feb	Shakespeare Theatre company workshops – all years
	Last day of term
Fri 9 th Feb	INSET DAY
Mon 12 th – Fri 16 th Feb	Half Term

Rowan Class' trip to Mountbatten's VBOX Festival

Year 5 joined five other schools from the local area at the Mountbatten VBOX Festival on Monday. It was hosted by Dominic Peckham, artistic director of the Royal Opera House's Youth Singing Group.

The children were absolutely amazing. In the space of just a few hours, they learnt five songs including Marvin Gaye's "Heard it through the Grapevine", The Beatles- "Drive my car" and a South African song. It culminated in a performance for the parents which included some parental interaction.

All of the children put 100% into the very long day. We were particularly proud of Aidan's solo performance. It was outstanding and brought many of us to tears.

Willow Class' trip to Tudor House

On Wednesday, Year 2 had a fantastic day out at Tudor House in Southampton.

Eve liked the big, old bike in the attic which was found when the house was being renovated. It is now leaning up against the wall for everyone to see.

Alfie's favourite part was going down into the basement where it was dark and there were loads of cobwebs! In the basement there was a fireplace and a bowl with fish in it.

Jake learnt that the rich people in Tudor times ate hare (like a rabbit, not what is on your head) and pork. He also really liked the big screen you could move around to show you what it was like in the old days.
