Class Trips

Dear Parents and Carers,

Every year we try to take each class out on one or two educational trips to enhance their in-class learning.

With the exception of residential trips, these excursions are offered to all students with payment requested as a voluntary contribution.

Without your contributions these trips cannot go ahead. There is no allocation in the school budget to cover any shortfall.

Below is a breakdown of the contributions to the Autumn class trips. As you can see, for some classes, we are unfortunately not receiving enough contributions.

		cost of trip	contribution received from parents
Year R	I Wanna Be	£390	86%
Year 1	Testwood Lakes	£594	48%
Year 2	Manor Farm	£675	64%
Year 3	Butser Farm	£728	62%
Year 5	Science Centre	£545	84%

Therefore, it is not sustainable for the school to continue to run these trips. Excursions will only take place if we receive 85% in parent contributions.

With this in mind, we will be sending out the forms for all trips in the next term one month or more in advance so you will be aware of any costs as early as possible. This will also give us time to cancel without incurring charges.

All trips remain on ScoPay for the duration of the school year and can be contributed to at any time.

Thank you for your continued support of your child's education.

Yours sincerely,

Mrs Jearrad

*The Lord says "I will guide you along the best pathway of your life.
I will advise you and watch over you."
Psalm 32:8 NLT*
