

# HAMPSHIRE SCHOOL GAMES DESIGN A PHYSICAL ACTIVITY

Design an activity that can be played safely at school or at home by pupils aged 4 – 11 and their families.

## Requirements

- There should be no more than 3 rules
- Think about using equipment they have access to at home, be creative!
- Give your activity a name
- Be specific and simple with instructions
- Use the template below to help you

Name of the game

Aim of the game

Rules

How to play the game

Equipment required

Space required

Send your completed games to [mcampbell@priorysouthsea.org](mailto:mcampbell@priorysouthsea.org) and you could have your activity chosen as one of the daily challenges we are sending to primary schools across Hampshire to compete in during June and July!
