

## Challenge 1

- Write 2 detailed descriptive paragraphs for each image.
- Change the mood in the second paragraph.
- Ensure that the paragraphs are linked and that the transition between moods is clearly done and explained.

### Moods you could use

Positive		Negative	
amused	loving	anxious	jealous
calm	mellow	cold	lonely
cheerful	nostalgic	confused	nervous
determined	peaceful	depressed	painful
energetic	playful	embarrassed	stressed
excited	relaxed	exhausted	suspenseful
hopeful	silly	gloomy	terrifying
joyous	surprised	grumpy	worried
	thankful	heartbroken	hopeless
	thoughtful		

### Linking paragraphs

• Helpful ways of linking paragraphs together:

#### 1. Pronouns

Refer back to someone or something in an earlier paragraph by using pronouns.

#### 2. Conjunctions/temporal connectives

Show time, place or cause and effect. Temporal connectives show how periods of time have passed.

#### 3. Repetition

Link paragraphs by repeating words, phrases and ideas.
