

# Challenge 1

- Adapt the skeleton plan so that it is eerie and full of mood,
- Edit and redraft to include all of the figurative techniques on the checklist

## **Extension**

Add an additional section - a threat is detected and the mood changes to terror.

Draw on (and edit first section to include) previous learning of pathetic fallacy and foreshadowing as an indicator of mood

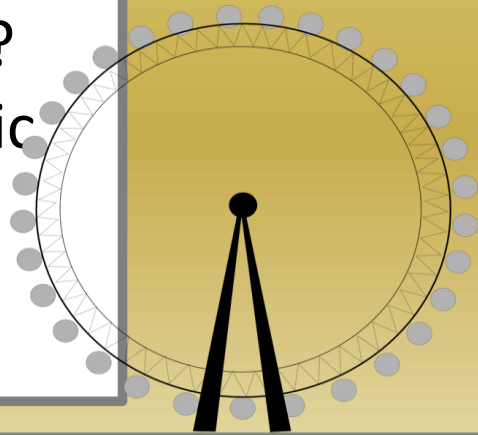

## Challenge 2

- Using the skeleton plan, edit and redraft to include figurative devices– to include all orange and green figurative devices on Success criteria
- Choose at least one moment to expand.
- Create a sad mood.

Challenge:

Can you include 2 of the red features?  
(including pathetic fallacy)

## Challenge 3

- Using the skeleton plan, edit and redraft to include figurative devices– to include all green figurative devices on Success criteria
- Use precise words to describe.
- Create a sad mood.

Challenge:

Can you include 2 of the orange features?
