

## Special Activity for Year Book

Hi everyone, I hope you are well. On the website you will find a blank year book page (please ignore the front cover). You need to write about your time in year 6:

### Leaving Nursling Speech

I have been at Nursling Primary school...

Throughout the years I have made lots of friends and so many memories. Ones that I will cherish for the rest of my life.

Nursling Primary School has taught me ...

I have enjoyed going to....

First day memories...

Teacher memories...

My funniest memory ...

My fondest memory...

My friends...

Things I will never forget...

As I go from Nursling I will remember...

On the other side of the year book you can include funny stories about your friends or teachers. Please keep it polite and friendly. If there is anything inappropriate written I will not include it.

Once you have finished your page please send it to the email address: oak.class.2020@hotmail .com. It **MUST** be back by Thursday 9<sup>th</sup> July so I can add photos and print it out.

Thank you

Mrs Cole
