Read Chapters Five and Six of the book. Create a storyboard of what has happened in the book so far. If you want to use the template, you can.

Continue with the storyboard using your own ideas as to what might happen next based on what has happened so far in the story. You can add your own characters to the story or just keep the ones that are in the book.

English Lesson 3

Write the next chapter in the book using your boxed up plan from the previous lesson. Try to remember to include the use of paragraphs and when to move onto a new paragraph (change in time, place, person, topic or a new person is speaking).

English Lesson 4

Read Chapters Seven and Eight of the book. Complete the zone of relevance for the words you have read. Write the words you think are most important to the story in the middle circle, and the words that are less important in the outer circle. Once you have organised the words, pick a few and explain why you think they are important to the story.
