

### English Lesson 1

Read chapter 16 about the fire. Pick a part of the chapter and draw a picture to represent what has happened in the chapter.

### English Lesson 2

Re read chapter 16 to refresh your memory if you need to, then write the next chapter of the book.

### English Lesson 3

Look at the picture on the pallet of words and complete the boxes as we would do in class. Don't forget that you need to fill all boxes in first but can then change the words using a thesaurus if you want to improve them after.

Mood are your own feelings

Colour is what can you see

Hear are the sounds all around you

Texture is what you can feel with your hands

### English Lesson 4

Read chapter 17 and 18. Using the planning template provided, plan what you would want to include in a newspaper article, making sure you answer all the question words. Now would be a good time to use any of your sentences or words from the previous lesson so you know when you want to use them.

### English Lesson 5

Write a newspaper report on the event of the fire. If you want to create your own template you can or you can use the one I have provided. Remember to use your plan to support your writing. I will also include a newspaper checklist for you to use to make sure you have included all the features of a newspaper.
