

### English Lesson 1

Read chapter 12, 22 and 23 of the 1000 Year Old Boy. Summarise what you have read in the book so far. If you want to refresh your memory you can.

### English Lesson 2

Read chapter 24. The end of the chapter says that Alfie meets Jack's son. Using the role on the wall, create your own description of what you think Jack's son will be like. You can create a name for him, what he looks like and how he acts. You will need this for the rest of the week.

### English Lesson 3

Think about what might happen to Alfie and Jack's son when they meet each other. Using either a boxed up plan or a story board, plan your own version of what might happen when the 2 boys meet for the first time. Whichever method you choose to use, add enough details to be able to write an entertaining narrative.

### English Lesson 4

Using your plan from the previous lesson, write your own story about the adventures that Alfie and Jack's son will be going on.

### English Lesson 5

Once you have finished your story, publish the work you have just done. This can either be done on a computer or you can write it on paper in your neatest handwriting. Once you have finished, send your work to [sycamore.class.2020@hotmail.com](mailto:sycamore.class.2020@hotmail.com) and I will post them online.
