

For the LOVE of Nursling Week – September 2021

For the love of our community!

Last week, every child in school worked hard to sew a hanging heart. These are now being displayed on the fences in school. You'll be able to see it on our one way system. Well done, Nursling! They look **LOVE**ly.

For the love of Nursling

We have had the best week back at school celebrating one of school values: love. The children have been immersed in lots of different activities throughout the week, from painting and sketching, sewing and baking and even clay modelling and making bird feeders. We are so proud of the work the children have produced this week and it has been wonderful hearing the discussions children have been having about love.

Thank you for all the donations we have received; we wouldn't have had such a fantastic week without them. Well done, Nursling! Also thank you Mrs Skeels for organising our Love themed first week.
