Home Learning Pack

Week beginning
27th April 2020

Home learning tasks – Week 7 - WB 27th April 2020 – Year 2

Please see the included worksheets and/or examples to help your child complete the learning activities in this pack. They are all on the PowerPoint on the school website ready to print. *Please note there are 2 Power Points this week and some of the resources are on the Power Point called 'Secret Garden'.*

English

Task	Activity	Resources in pack
1	Practise writing this week's spellings and using them in a sentence (as our homework each week).	<ul style="list-style-type: none">Spelling grid
2	<i>SEE SECRET GARDEN PPT</i> - Find out 5 facts about India and 5 facts about Yorkshire. Once you have found at least 5 for each place, keep researching and see how much you can learn about these two different places. Create an information page about one of the places once you have some facts.	<ul style="list-style-type: none">Information page template
3	<i>SEE SECRET GARDEN PPT</i> - Use the worksheet to label the different parts of a plant	<ul style="list-style-type: none">Worksheet
4	Read the text about St. Patrick's Day which was on the 17 th March and answer the questions.	<ul style="list-style-type: none">TextQuestion page on PPT.
5	Common exception words – read the short text and see if you can spot the mistakes that Mr Whoops has made. He has spelt some of the common exception words wrong. See if you can find them and then correct them.	<ul style="list-style-type: none">Mr Whoops textCommon exception word mat

Maths

Task	Activity	Resources in pack
1	Continue practising the 2x, 5x and 10x tables using the worksheets provided on the Power Point and the list of useful website links of games to play. This week's worksheet have different questions you need to find the answers to using what you do on the sheet to help you. Some of you have already had this sheet if you were away the last full week of school. If so, I have included a challenge task for you on the Power Point to learn the 3x table.	<ul style="list-style-type: none">2x, 5x and 10x worksheetTimes table challenge task – 3x table.
2	Complete the 2D shape activity, matching each shape to how many sides it has. Challenge: can you name all of the shapes pictured?	<ul style="list-style-type: none">2D shape worksheet
3	<i>SEE SECRET GARDEN PPT</i> - Complete the times tables practise grid including both multiplication and division facts.	<ul style="list-style-type: none">Times tables grid
4	Practise solving addition and subtraction calculations, just like we were doing in class. Either draw your own number line to solve them or draw the picture by drawing the diennes.	<ul style="list-style-type: none">Questions on Power Point

Topic – preparation for our new learning topic ‘Secret Garden’ – see the resources on the website.

Complete the following activities all on the ‘Secret Garden’ Power Point.

Task	Activity	Resources in pack
1	SEE SECRET GARDEN PPT - Grow cress from seeds and keep a diary of how tall they grow? (I appreciate you may not have cress seeds randomly around your home so, if not, use the pictures of how to grow fruit plants and see if you can stick them in the correct order. This is something you can then use to help you plant other seeds or the cress!	<ul style="list-style-type: none">• Ordering pictures
2	SEE SECRET GARDEN PPT - Keep a record of how many glasses of water you drink over the next week. See the recording table to help you. Measure how much water your glass will hold and see if you can add up how much water you drink each day.	<ul style="list-style-type: none">• Recording table
3	SEE SECRET GARDEN PPT - Nature collages – Use seeds, leaves, flower petals and anything else plant based to make a picture! Photos of sculptures, non-permanent pictures etc. would be wonderful to see so send me an email with your creations!	See ideas on the ‘Secret Garden’ Power Point.

ENGLISH task 1 - Spellings

WB 13th April 2020

Spellings homework

Practise our class spellings so that you can confidently spell them. Then for each word, write one sentence using it, just like we do each week in our homework books.

ENGLISH task 5 – Spot the mistakes – common exception words

Read the text and spot the mistakes that have been made. They are all common exception words from Years 1 and 2. I have included the word mat so you can check on the next slide.

Spot Mr Whoops' Mistakes

Mr Whoops is a little bit clumsy...OK, OK, he's a lot clumsy! Even though he's really trying hard with his writing, he's still accidentally misspelt 12 of his Y1/Y2 common exception words. Can you spot his mistakes?

Highlight them in the passage of text.

Could you then correct the words at the bottom of the sheet and create a list for Mr. Whoops to practise?

Activity 1:

i wish it could be Chrismas evry single day. I luv getting up really early to see what Santa has put in my stocking. I usually get muny and cloths from my aunty and uncle, which is sow kinde of them. MATHS task 1 – times tables practise

Once you have completed these worksheets, remember to practise instant recall of them by getting your family to test you or by testing yourself.

Also:

- Sing the times tables – there are lots of songs on YouTube which have been rewritten with the times tables incorporated in them. Justin Timberlake's 'can't stop the feelings' is a great one to learn the 2x table in a fun way!

Fruit Plant Growth Sequencing

TOPIC – task 1 - Fruit plant sequencing

Using a watering can,
water the seeds.

Fruit then grows on
the plant.

Plant the seeds into
the soil.

The plant grows and
begins to flower.

Fill the plant pot
with soil.

The seeds begin to sprout
and grow.
