

Maths 2

Mastery

Here is a picture of a pencil along a ruler.

Answer the following questions related to this picture. (Do not measure the pencil)

1. Bobby says this pencil is 9cm long. Do you agree? Why?
2. How long is this pencil? Explain how you know.
3. Ollie says the pencil is 9cm long. Charlie says the pencil is 7cm long. Sarah says the pencil is 70mm long. Who is right? Explain your answer.
