

Below is a table showing the number of people watching at various football grounds arranged in alphabetical order.

Round each number to the nearest thousand and put the answers in the right hand column.

| Team | Attendance | Rounding |
|-------------------|------------|----------|
| Bury | 2876 | |
| Bournemouth | 6453 | |
| Colchester United | 3386 | |
| Crewe Alexandra | 4691 | |
| Preston North End | 9304 | |
| Shrewsbury Town | 5771 | |

1. Which team was watched by the most people?
2. How many more people watched Crewe than Bury?
3. How many less people watched Colchester than Shrewsbury?
4. On the next page draw a graph showing the **ROUNDED** attendance figures.
