Dear parents and carers,

Welcome to the new academic year! We hope you all had a wonderful summer break and enjoyed the warm, sunny days that we had!

We have certainly hit the ground running. The children really enjoyed the reading escape room on the first day back. They were so engaged in finding clues to solve puzzles, the buzz in the hall was one of great excitement! The weather also perked up on Friday, enabling us to have a whole school picnic in our family groups. Friday was all about embedding our Christian values of love, hope and courage and the children were reminded of their own personal responsibilities. Every child knows that they are the ones who are responsible for the things that they say and the things that they choose to do.

This year the children will experience good days, challenging days, excitement and disappointment. Coping with a variety of situations and learning how to handle a range of emotions are skills we will help them to develop throughout the year ahead, preparing them for their journey through life.

Kind Regards

Mrs J Jearrad
