## Head Teacher's Message

Dear Parents and Carers,

What a fabulous day we all had yesterday!

It was wonderful to see all the children and adults dressed up and enthusiastic to complete their World Book Day tasks! It has to be one of the most exciting day in the school calendar because the children can't wait to see how the staff have decorated the corridor the night before. The sense of awe and wonder is so exciting to see.

Thank you to everyone who supported this day. The PTA Wonka Bar competition was a resounding success and some of the homemade costumes were incredible! Our celebration at the end of the day showed just how many Roald Dahl characters we had in school!

So I will sign off this week from the whole of the Senior Team!

Willy Wonka (Mr Booth)

The Vicar of Nibbleswicke (Mrs Mellor)

Miss Trunchbull—Olympics (Mrs Skeels)

Miss Trunchbull—Strict Headteacher (Mrs Jearrad)

## Attendance this week

Chestnut	Birch	Willow	Holly	Sycamore	Rowan	Oak	School
95.9%	91,7%	93.2%	95.6%	89.7%	95.7%	95%	93.9%

The expected attendance for each student is a minimum of 96%. Individual children identifying as under 96% will be engaging in conversations with staff to ensure their attendance improves.

# Cyril Squirrels

## Year R

Lily- For her absolutely fantastic, independent reading and writing! Well done, Lily!

Jennie- For always being super enthusiastic and happy in everything that she does! Well done, Jennie!

## Year 1

Celine- she is such a fantastic member of the class, always displays our school values, she is a role model to the others when it comes to behaviour and work ethic, and never fails to make us smile!

Maisie G- her writing has absolutely blown us away since we've been back at school! She is now really confident with working independently and it is really showing in her work- well done!

## Year 2

Edie is our first Cyril Squirrel this week. She really impressed us with her Wanted Posters for the despicable Mr and Mrs Twit this week. She used some fantastic vocabulary and presented it beautifully. Well done, Edie!

Daniel is our second Cyril Squirrel this week. He also made a fantastic Wanted Poster for Mr Twit and really captured how awful he is! He took great care thinking about his word choices and picture carefully. Well done, Daniel!

## Year 3

Kai: Kai has absolutely smashed this week! He has worked hard, listened, been very helpful and just been brilliant to have in class! He's really adapted to KS2 now and Year 3 and I could not be prouder!

Lexa: Lexa is consistently brilliant. She gets on with any task asked of her and always tries her best! This week in particular she has worked very hard on our James and the giant peach crafts, including her mechanism on a page which I was very impressed with!

## Year 4

Nellie has worked extremely hard on her world book day theme. She even knew the history behind it.

Joshua worked insanely hard on his DT and his mechanisms making sliders and levers in a book based on Chocolate factory.

## Year 5

George has been amazing this week especially during DT lessons. He's started to build a great cam mechanism based around the BFG.

Oscar has been amazing this week he's been really focused on his writing and produced a great piece of writing from the point of view of a classroom object.

## Year 6

My first Cyril goes to Evie, who could be given Cyril every week! However, she smashed her athletics competition and represented the school in the next round. Sensational achievement!

My next Cyril goes to Jaime, who never fails to make me smile with her bonkers personality and her random objects of the day.

### After School Club

This week at After School Club, we've been enjoying the sunshine and lighter evenings. We've had some great teamwork building nests on the grass for the birds and small animals to sleep in. George, Brodie, Anna-Lee, Miles and Lottie worked really hard to make two beautiful cosy nests together. A big WELL DONE to you all!

## Growing up in the online world: a national consultation

Here is the link to the government's national consultation surveys about children and their online/ social media exposure. There is a survey for everyone, a survey for parents and a survey for children over 10.

## Would you like to see The Romsey School supporting families who are keen to delay smartphones and social media?

Parents in Romsey and the surrounding areas are invited to sign a letter urging The Romsey School to ban smartphones. Mountbatten School is banning smartphones from September – we are calling on The Romsey School to do the same, it's so important for our children's wellbeing.

This letter has already successfully persuaded other Hampshire secondary schools to ban smartphones. We want to collect as many signatures as possible to show The Romsey School the strength of feeling here.

Complete this short form to sign it: <https://forms.gle/WZqEPdNjPjECB7y1A>

Your name, child's current school and year group will be added to the letter's signatories.

Both parents/carers in one family can be added so please both fill in if possible.

### Communication Flowchart 2025-2026

We know that when parents have a concern that relates to their child at school, whether it is pastoral, friendships, curriculum or staffing in nature, they often feel the best way forward is to ask to see the Head teacher. In our experience, many of these concerns can often be most quickly resolved by talking to the class teacher as they know your children best. Please be aware that the Chair of Governors does not become involved unless a formal complaint is logged having completed all previous steps. The Complaints Policy is on the website.

Please use the chart below to know who you need to speak to.

Who do I speak to and in what order?			
Steps	Learning / Classroom issues	Pastoral / Additional Needs	School Administration
1	In the first instance, please arrange to speak to your child's class teacher after school by appointment. Appointments can be made via the school office.	If you're struggling with pastoral issues such as routines, attendance or you just need to reach out, ask the office to book you an appointment to speak to <b>Mrs Mellor</b> (Parent Liaison).	Please speak to Mrs Manning, Mrs H-C or Mrs Petley in the school office.
2	If you feel your query has not been resolved, please arrange to speak to <b>Mr Booth or Mrs Skeels</b> (Assistant Headteachers)	Concerns or actions related to Special Educational Needs or pastoral issues still not sorted, ask the office to book you an appointment to speak to <b>Mrs Mellor</b> (SENCO).	If you have a complaint with regards to a member of the office team, go to Step 3.
3	If still not sorted?  Please make an appointment to speak to our Head teacher, <b>Mrs Jearrad</b> . This meeting may also be attended by a member of the staff or Senior Leadership Team to ensure actions from any previous meetings can be discussed.		
Formal Complaints			
4	If you are unhappy with the outcome of your queries and are proceeding to a formal complaint having followed all the previous steps, please contact our Chair of Governors, <b>Mrs J Barker</b> , via the school office.

## Parents' guide to help for all in education settings

### Special Educational Needs (SEN) support

Some children and young people need more help than others. This is why SEN support is available. It is extra help for anyone finding the learning harder to make sure they can still achieve success. This does not need extra funding and is put in place to make sure that everybody can progress. It is regularly reviewed. You can watch a video about it on this link: [Family Information and Services Hub | Ordinarily Available Provision and SEND Support](#)

#### Types of SEN support

##### Help with learning:

- Extra time to learn and prepare
- Using computers or voice recorders
- Link the learning to interest areas
- Having word lists or reminder bookmarks
- Getting extra help with reading, writing and maths

The girl is jumping on the trampoline

##### Help with talking and understanding:

- Using someone's name and standing close when talking
- Using pictures and signs to help understanding
- Keeping instructions short
- Using songs and rhymes to teach new words
- Giving choices
- Using timers
- Using simple language which is clear
- Having a special work space
- Teaching how to use sounds and words to work out meaning
- Using stories to help get ready for something

## Parents' guide to help for all in education settings

### Ordinarily Available Provision

#### What is Ordinarily Available Provision?

This is the help that every child or young person should get in their education setting. It is the support which everyone accesses, even if they do not have special needs. You can watch a video about it on this link: [Family Information and Services Hub | Ordinarily Available Provision and SEND Support](#)

#### What should ordinarily available provision look like?

##### In the classrooms:

- Special chairs or desks
- Calm colours and not too much noise or clutter
- Tools to help with keeping focus and learning
- Sitting in the best place to learn
- Pictures to help understand and remember information

##### What adults do:

- Believe everyone can do well

## Parents' guide to help for all in education settings

### Help with feelings and behaviour:

- Avoiding making people feel bad
- Giving jobs to do and breaks
- Using a calm voice and positive body language
- Helping the understanding of feelings
- Having a safe space and trusted adults
- Explaining instructions and information
- Working on areas of interest
- Limiting distractions
- Teaching different ways to stay calm
- Preparing everyone for changes
- Using the same language when dealing with something
- Providing time to talk
- Having plans if things go wrong
- Having support during times when there are less routines

### Help with physical or sensory needs:

- Using different senses to help learning
- Changing routines or uniforms if needed
- Giving rest breaks
- Helping with personal care
- Using special tools or plans for needs
- Being flexible with resources

### What works best when supporting learning?

#### The best sort of help:

- Is planned carefully,
- Helps build independence,
- Does not rely too much on an adult,
- Is not available all the time,
- Helps learners make friends and feel confident in what they are doing.

#### What if this is not happening?

If you are worried about progress, talk to the special educational needs coordinator (SENCo). They may need to try some different levels of support. This is something that every education setting can do without any extra support.

If you do not feel that the help is there:

- Talk to the SENCo or leader in the school.
- If that doesn't help you can contact groups like Hampshire Parent Carer Network [Hampshire Parent and Carer Network](#) or SENDIASS [Hampshire SENDIASS - Special Educational Needs Support](#).
- You could use the setting's complaint process.

### Setting values:

- Use signs and pictures to help with talking and understanding
- Believe that everyone can learn and be successful
- Keep rules and routines clear and fair
- Make sure everyone feels that they belong
