## Head Teacher's Message

Dear Parents and Carers,

It has been another busy week in school with lots going on behind the scenes.

Teachers are almost ready to send home your child's school report at the end of this term, the cabin has had a coat of paint by one of our Governors, Simon Arthur, and the Performing Arts adults and children are busy preparing for the show on Saturday at the Lantern Theatre.

In Collective Worship this week, I spoke about 'Worry' and asked the children what sorts of things they worry about. The majority of children told me they worry about other people and their pets the most. We discussed things that are in their control and things that they worry about that are out of their control.

The biggest message was for children to talk about their worries and all children reminded to talk to their teachers in school if they need help because they can support them quickly if they are made aware.

Wishing you all a worry free weekend and hope to see lots of you at the theatre on Saturday!

Best wishes

Mrs Jerrad

## Attendance this week

Chestnut	Birch	Willow	Holly	Sycamore	Rowan	Oak	School
95.9%	91.7%	93.2%	95.7%	89.5%	95.6%	95.1%	93.9%

The expected attendance for each student is a minimum of 96%. Individual children identifying as under 96% will be engaging in conversations with staff to ensure their attendance improves.

# Cyril Squirrels

## Year R

Louis- For his fantastic, independent reading and writing. Also, for being a happy, enthusiastic and helpful member of the class. Well done, Louis!

Frankie- For her brilliant attitude to learning and for always working so hard at her reading and writing. Well done, Frankie!

## Year 1

Oscar and Ryver-Rose: we have been writing character descriptions this week and these two have blown me and Miss Murray away! They have been working independently, thinking of their own ideas, using sound mats to help them and have produced some fabulous work- well done!

## Year 2

Vinnie is our first Cyril Squirrel this week. He has impressed us with his writing this week, taking care of his use of capital letters and making sure he used the best vocabulary he could. Well done, Vinnie!

Freya E is our second Cyril Squirrel this week. She has written some beautiful sentences with fantastic vocabulary and lovely handwriting too. Well done, Freya E!

## Year 3

Grace: Grace is a fantastic example of how a pupil at Nursling should work. She puts 100% into everything she does, and challenges herself all the time. Due to this brilliant work ethic, Grace has made astounding progress this year, and her writing this week really highlighted that. Amazing work Grace!

Nalah - Rae: Nalah - Rae has had a fantastic week! She's been coming into school a lot more positively than she has been recently, and with that new attitude she has worked really hard. She's really trying with her writing and I was very pleased with her most recent times tables test! Keep it up Nalah - Rae!

## Year 4

Joshua has worked very hard this week at trying to improve his handwriting and beginning his non-chronological report. Keep it up Joshua

Jan has shown high levels of understanding about geography, biomes and lines of latitude this week. He has really impressed everyone

## Year 5

Mary-Ellen- she has been so resilient this week. She's been trying really hard with her writing this week and produce a wonderful piece of writing.

Mia- she has been working super hard this week to improve her productivity. She has produced some wonderful writing. Well done Mia, keep it up!

## Year 6

Eliza is an absolute super star and tries so hard in everything she does. Her work ethic is second to none and I couldn't be prouder.

Harry has been sensational in the last few weeks. He has really knuckled down in his studies and is doing lots of revision at home, too! Legend!

## The Eco-Club and The Men's Shed

On Tuesday afternoon , Nursling's Men's Shed came into school to work alongside our very own Eco-Club . Men's Shed kindly prepared ten ready to assemble bird boxes , carefully crafted and stained waiting to be made by Eco - Club.

The children were very enthusiastic putting together the bird boxes with assistance from the Men's Shed . They carefully followed step by step instructions and as you can see from the photographs the results are amazing! We have plans to put the bird boxes out around our school grounds over the Easter holidays so look out for them !

Nursling School would like to say a HUGE thank you to Men's Shed for their time , skills and enthusiasm for making this a fantastic activity for our children. We would also like to thank Mrs Lipscombe for her assistance and dedication running Eco -Club and the PTA for their support too.

Can you design our new Green Cross Code poster for this year's Walk to School Week?

Design a poster which tells other people how to cross the road safely. Don't forget to include:

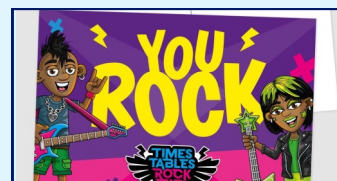

**Stop, look, listen and think**

- Find a safe place to cross where you can see what is coming
- **Be bright be seen**
- Make sure traffic can see you

**Numbots**

This week's winner is Zara W. Fantastic effort this week! Well done!

**TTTTRS**

This week's winner is Poppy S. Really consistent scores on her Gig!

We think you are all

**Brilliant**

## After School Club

This week at After School Club a big shout out goes to Lottie, George, Olivia and Amelie! They have all been working really hard, Lottie and Amelie made some beautiful daffodil cards for their Mum's, George made an exciting Minecraft scene, and Olivia did a fantastic drawing of herself with her friends. A big WELL DONE to you all, you have all earned lots of raffle tickets for your creative art work.

## Family Wellbeing

We've recently been made aware of a really useful resource for families promoting the emotional health and well-being of the whole family. This website contains a wealth of knowledge and short videos on subjects such as positive parenting strategies, free downloadable resources and practical strategies to deal with different behaviours at home.

## Growing up in the online world: a national consultation

Here is the link to the government's national consultation surveys about children and their online/ social media exposure. There is a survey for everyone, a survey for parents and a survey for children over 10.

## Would you like to see The Romsey School supporting families who are keen to delay smartphones and social media?

Parents in Romsey and the surrounding areas are invited to sign a letter urging The Romsey School to ban smartphones. Mountbatten School is banning smartphones from September – we are calling on The Romsey School to do the same, it's so important for our children's wellbeing.

This letter has already successfully persuaded other Hampshire secondary schools to ban smartphones. We want to collect as many signatures as possible to show The Romsey School the strength of feeling here.

Complete this short form to sign it: <https://forms.gle/WZqEPdNjPjECB7y1A>

Your name, child's current school and year group will be added to the letter's signatories.

Both parents/carers in one family can be added so please both fill in if possible.

### Communication Flowchart 2025-2026

We know that when parents have a concern that relates to their child at school, whether it is pastoral, friendships, curriculum or staffing in nature, they often feel the best way forward is to ask to see the Head teacher. In our experience, many of these concerns can often be most quickly resolved by talking to the class teacher as they know your children best. Please be aware that the Chair of Governors does not become involved unless a formal complaint is logged having completed all previous steps. The Complaints Policy is on the website.

Please use the chart below to know who you need to speak to.

Who do I speak to and in what order?			
Steps	Learning / Classroom issues	Pastoral / Additional Needs	School Administration
1	In the first instance, please arrange to speak to your child's class teacher after school by appointment. Appointments can be made via the school office.	If you're struggling with pastoral issues such as routines, attendance or you just need to reach out, ask the office to book you an appointment to speak to <b>Mrs Mellor</b> (Parent Liaison).	Please speak to Mrs Manning, Mrs H-C or Mrs Petley in the school office.
2	If you feel your query has not been resolved, please arrange to speak to <b>Mr Booth or Mrs Skeels</b> (Assistant Headteachers)	Concerns or actions related to Special Educational Needs or pastoral issues still not sorted, ask the office to book you an appointment to speak to <b>Mrs Mellor</b> (SENCO).	If you have a complaint with regards to a member of the office team, go to Step 3.
3	If still not sorted?  Please make an appointment to speak to our Head teacher, <b>Mrs Jearrad</b> . This meeting may also be attended by a member of the staff or Senior Leadership Team to ensure actions from any previous meetings can be discussed.		
Formal Complaints			
4	If you are unhappy with the outcome of your queries and are proceeding to a formal complaint having followed all the previous steps, please contact our Chair of Governors, <b>Mrs J Barker</b> , via the school office.

## Parents' guide to help for all in education settings

### Special Educational Needs (SEN) support

Some children and young people need more help than others. This is why SEN support is available. It is extra help for anyone finding the learning harder to make sure they can still achieve success. This does not need extra funding and is put in place to make sure that everybody can progress. It is regularly reviewed. You can watch a video about it on this link: [Family Information and Services Hub | Ordinarily Available Provision and SEND Support](#)

#### Types of SEN support

##### Help with learning:

- Extra time to learn and prepare
- Using computers or voice recorders
- Link the learning to interest areas
- Having word lists or reminder bookmarks
- Getting extra help with reading, writing and maths

The girl is jumping on the trampoline

##### Help with talking and understanding:

- Using someone's name and standing close when talking
- Using pictures and signs to help understanding
- Keeping instructions short
- Using songs and rhymes to teach new words
- Giving choices
- Using timers
- Using simple language which is clear
- Having a special work space
- Teaching how to use sounds and words to work out meaning
- Using stories to help get ready for something

## Parents' guide to help for all in education settings

### Ordinarily Available Provision

#### What is Ordinarily Available Provision?

This is the help that every child or young person should get in their education setting. It is the support which everyone accesses, even if they do not have special needs. You can watch a video about it on this link: [Family Information and Services Hub | Ordinarily Available Provision and SEND Support](#)

#### What should ordinarily available provision look like?

##### In the classrooms:

- Special chairs or desks
- Calm colours and not too much noise or clutter
- Tools to help with keeping focus and learning
- Sitting in the best place to learn
- Pictures to help understand and remember information

##### What adults do:

- Believe everyone can do well

## Parents' guide to help for all in education settings

### Help with feelings and behaviour:

- Avoiding making people feel bad
- Giving jobs to do and breaks
- Using a calm voice and positive body language
- Helping the understanding of feelings
- Having a safe space and trusted adults
- Explaining instructions and information
- Working on areas of interest
- Limiting distractions
- Teaching different ways to stay calm
- Preparing everyone for changes
- Using the same language when dealing with something
- Providing time to talk
- Having plans if things go wrong
- Having support during times when there are less routines

### Help with physical or sensory needs:

- Using different senses to help learning
- Changing routines or uniforms if needed
- Giving rest breaks
- Helping with personal care
- Using special tools or plans for needs
- Being flexible with resources

#### What works best when supporting learning?

##### The best sort of help:

- Is planned carefully,
- Helps build independence,
- Does not rely too much on an adult,
- Is not available all the time,
- Helps learners make friends and feel confident in what they are doing.

#### What if this is not happening?

If you are worried about progress, talk to the special educational needs coordinator (SENCo). They may need to try some different levels of support. This is something that every education setting can do without any extra support.

If you do not feel that the help is there:

- Talk to the SENCo or leader in the school.
- If that doesn't help you can contact groups like Hampshire Parent Carer Network [Hampshire Parent and Carer Network](#) or SENDIASS [Hampshire SENDIASS - Special Educational Needs Support](#).
- You could use the setting's complaint process.

### Setting values:

- Use signs and pictures to help with talking and understanding
- Believe that everyone can learn and be successful
- Keep rules and routines clear and fair
- Make sure everyone feels that they belong
