

Luke Collins is a truly wonderful boy, who completely deserves to have his name on the Pat Wootten shield.

Luke is a role model for children and adults alike. His zest for making others happy, treating everybody with the utmost respect and giving everything his all is inspiring. When consulting other staff in school, I was met with a resounding and unanimous YES for Luke to receive this illustrious award.

You have been a dream to teach across your time at Nursling and a pleasure to know. Keep being incredible!
