

## Whole School Christmas Dinner 2022

This is always a much loved event by all the children and the staff! The Office is closed and we all gather together in the hall. The staff serve the children their Christmas dinner before sitting down to enjoy their own.

The highlight is the singing of the Twelve Days of Christmas where everyone has to participate by standing up in their birthday month! It always gets quite competitive amongst the staff!

### Christmas Lunch

I loved singing the 12 Days of Christmas and standing up on my birthday month!
