

Will Nursling School be  
different when I return?

June 2020

# It is important that we are looking after each other when we come back to school to help keep each other safe and well.

You will be expected to keep your distance from people around you.

You will have to queue to use the toilets.

You won't be able to play games that involve you touching another person.

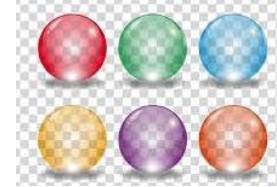

To help keep everyone healthy, you will need to keep good hygiene.

Blowing your nose on a tissue, putting tissues and rubbish in the bin and washing your hands thoroughly will be very important.

# Classrooms

- You will be in a coloured bubble group.
- You might be with children who are younger or older than you.
- You might have a different teacher.
- You will have a desk to work at for the day where you can keep your packed lunch box and coat.
- You will not need to bring a bag with you because school will give you everything you need to do your work.

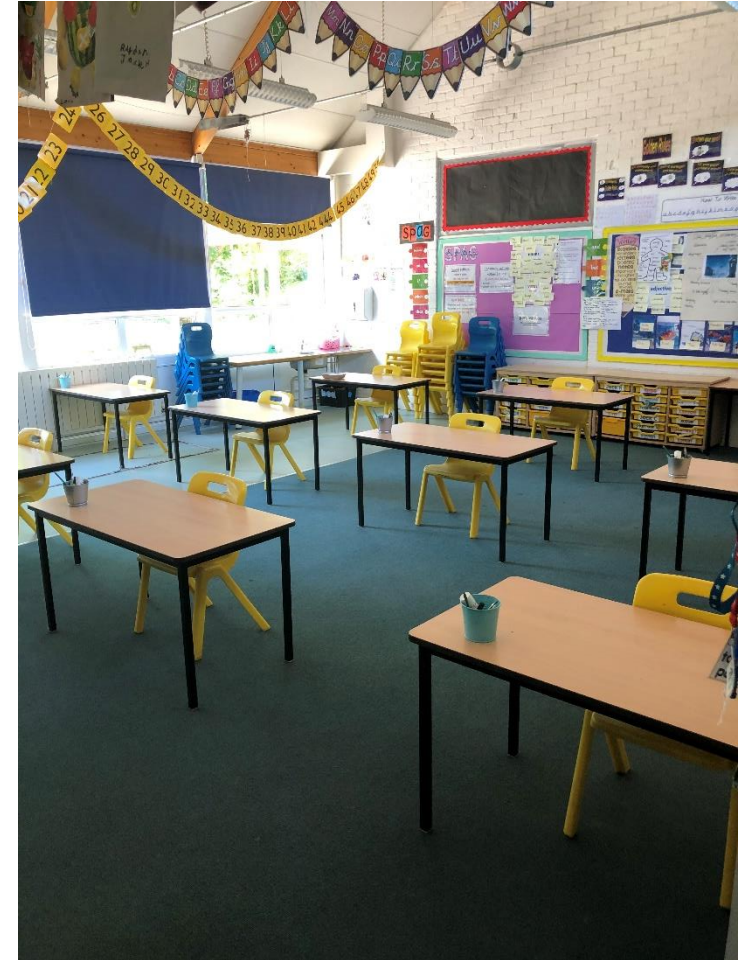

# Blue bubble

# Green Bubble

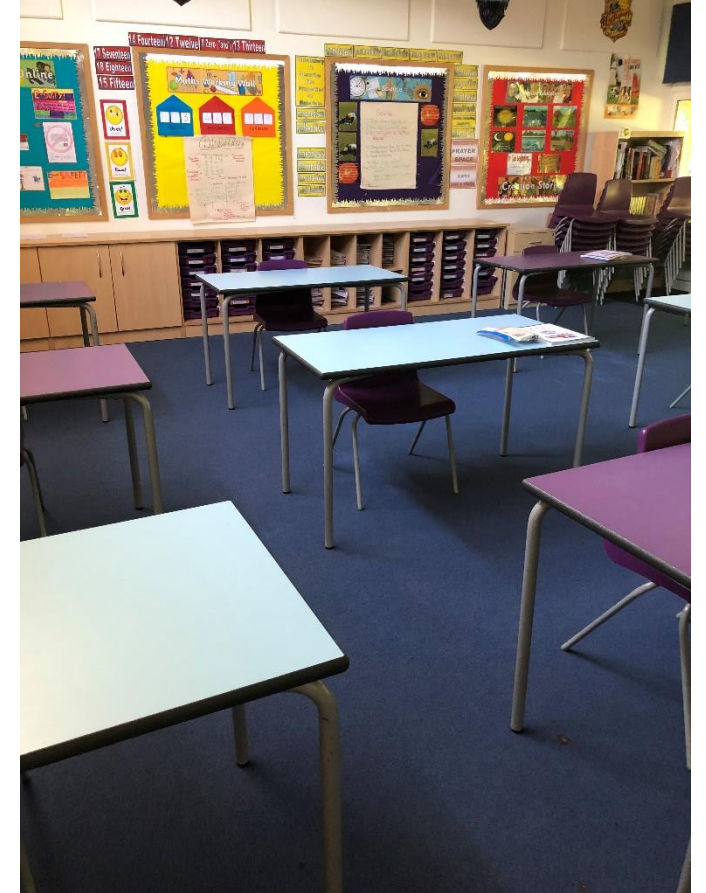

# Orange Bubble

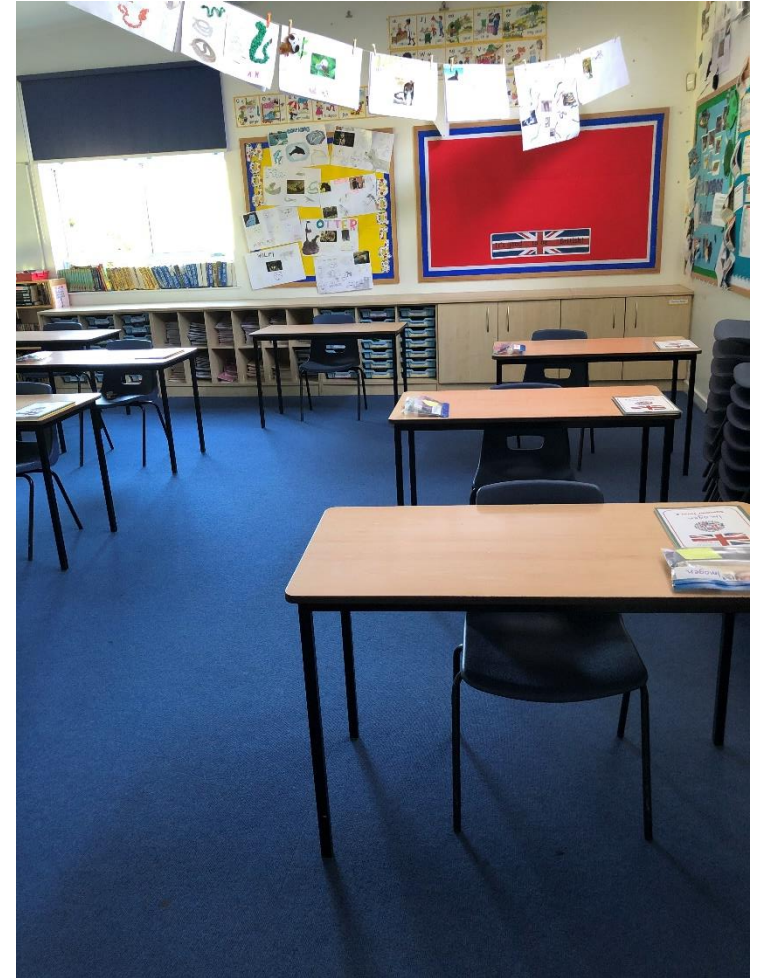

# Red bubble

# Purple Bubble

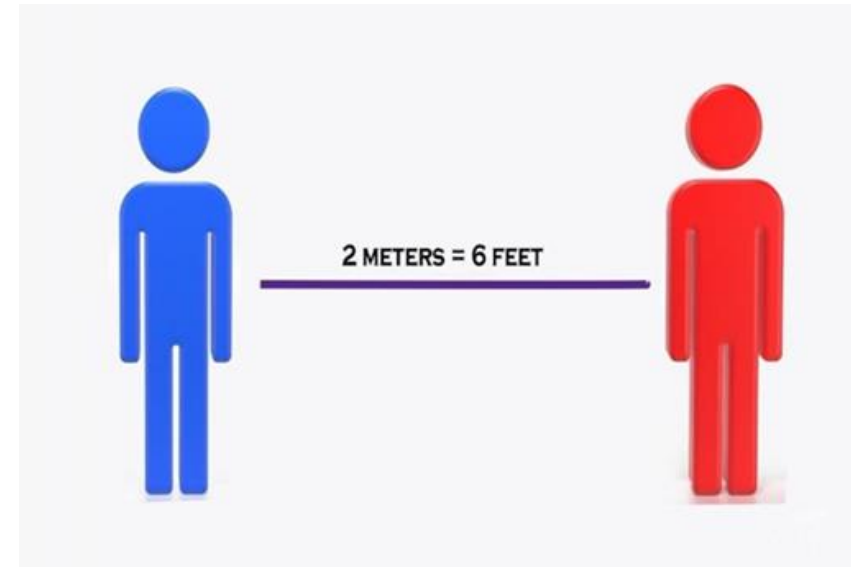

# Yellow Bubble

# You will need to keep your distance in the corridor.

Lunch will be eaten in your classroom at your desk.

You will need to bring in a named water bottle because the water fountains will not be in use.

The play frame will be out of use.

# Take a look at our YouTube video!
